WE / OUR CLIENTS / OUR RELATIVES MAY HAVE PERSONAL TRADING / INVESTMENT INTEREST IN THE STOCKS MENTIONED HERE IN.A15
Please Note that our technical calls are totally independent of our fundamental calls.

- 1) Since the above stocks are under rolling mode traders have to be careful in respect of the exposure in cash market, any outstanding position at the end of the day will result in delivery .
- 2) Short seller in the cash market has to be extra cautious of his trade as the positions for stocks are not allowed to be carried forward for the next day, resulting in auction of the sale obligation.

This report is prepared for the exclusive use of Sushil Group clients only and should not be reproduced, recirculated, published in any media, website or otherwise, in any form or manner, in part or as a whole, without the express consent in writing of Sushil Financial Services Private Limited. Any unauthorized use, disclosure or public dissemination of information contained herein is prohibited.

Warning: Technical Analysis is a tool used by an investor for the early indication of entry and exit point before the actual story unfolds. Though the effective use may give multiple benefits for the traders, we recommend to use the tool the objective of taking investment decision at an opportune time and reduce the cost as well as Holding period.

Additional information with respect to any securities referred to herein will be available upon request. Sushil Financial Services Private Limited and its connected companies, and their respective directors, Officers and employees (to be collectively known as SFSP) may, from time to time, have a long or short position in the securities mentioned and may sell or buy such securities. SFSP may act upon or make use of information contained herein prior to the publication thereof.

This data sheet is for private circulation only and the said document does not constitute an offer to Buy or sell any securities mentioned herein. While utmost care has been taken in preparing the above, We claim no responsibility for its accuracy. We shall not be liable for any direct or indirect losses arising from the use thereof and the investors are requested to use the information contained herein at their own risk
